

## MANY YEARS OF SUCCESS ON AN EQUAL FOOTING

# PREAMS

Dear Sir or Madam

Our company's long-term partnerships ensure lasting value retention, and with a corporate culture that keeps people in the foreground, we are able to ensure the stability of the company itself. This claim has always been part of us and affects not only our relationships with customers but also those with each other and beyond, such as with our long-standing sponsorship of the Lippuner Cycling Team.

Our support for this cycling team, which has already celebrated several successes in one of the toughest races in the world - tortour Switzerland - provides a suitable analogy between us and our other partnerships: many years of success on an equal footing. We are proud of this, as well as of the Lippuner Cycling Team and their sporting achievements.

Whether on bikes or simply in the sun, we shall also sweat this summer, but we will still be open in a slightly reduced capacity. With this in mind, we wish you a great summer.

Best regards
