SECURING THE FUTURE WITH **ULTRASHORT PULSE LASER**

Dear Sir or Madam

What began as an idea in 2002 with passion, curiosity and perseverance is now a strong and healthy company.

As a renowned service provider in laser ablation, we manufacture high-precision punching and embossing tools using ultrashort pulse lasers.

Thanks to our continuous investment in the latest machine generations, we are also ideally equipped for the future.

2002 Company foundation

- 2024** investment
Femto laser machine
- 2023** PREAMS AG
Conversion of stock corporation
- 2022** Investment in Femto laser machine
and 20th anniversary
- 2021** Alicona, optical 3D metrology
and roughness measurement
- 2020** Name change
PREAMS GmbH

We look forward to further cooperation with you and many more exciting projects.

Bj. Büchel

Yours sincerely
Björn Büchel
